Subject: Addendum No. 1

Dear Esteemed Bidders,

We wish to bring to your attention that the original bid submission deadline for the Procurement of **40 Motor Bikes** under the FMP Project—intended for hydro-met station field observers and project focal persons at basin offices and data collection sites of the Ministry of Water and Energy (MoWE), Reference No. ET-MOWE-469049-GO-RFB, coincides with a **public holiday**. And, bid security difference on Newspaper and Bid datasheet occurred. Due to these two reasons the following adjustments, and clarity has issued. Accordingly, Suppliers shall consider in their Bids:

S.No	RFB	Original date/existing Bid closing date and time	Amended as /extended Bid closing date and time
1	22.1 and 25.1	<ul style="list-style-type: none">Bid Closing date, and time: December,20/2025@2:00, P.m.Bid opening date, and Time: December,20/2025@2:30, P.m.	<ul style="list-style-type: none">Bid Closing date, and time: December,22/2025@2:00, P.m.Bid opening date, and Time: December,22/2025@2:30, P.m.
2	Bid security amount: On News Paper: adverted Birr:390,000 (three hundred ninety thousand). Kindly note that the Bid Data Sheet Amount Birr: 331,500 (Three-Hundred-Thirty-one-Thousand-Five-Hundred) shall be taken into consideration. Please be advised that the Request for Bids (RFB) takes precedence over the Notice, and therefore the provisions in the RFB shall prevail.		

These amendments are intended to address our concerns and ensure a fair and transparent procurement process. Please incorporate this addendum into your bidding proposal. Kindly note that all other provisions of the procurement documents remain unchanged. Thank you for your continued interest and participation in this project.
